Black Hawk Folk Society Virtual Concert

Black Hawk Folk Society invites you to join fellow music lovers for the next installment of its virtual concert series. This Saturday, August 8th, features singer-songwriter Katie Dahl, back on the Black Hawk schedule by popular demand! Katie's concert will begin streaming at 7 p.m. Visit Katie Dahl's Facebook page, or Black Hawk's Facebook page or website to link and enjoy the concert.

Music and performance have been a part of Dahl's life from early on, but her musical path changed direction in college, thanks to a patch of ice and a wrist-breaking fall. Unable to play the oboe, she set about learning how to play guitar. Since then Dahl, who calls Door County home, has traveled and performed throughout the world, both as soloist and sharing the stage with other musicians. She has released four original solo albums, teamed up with other musicians for several other albums, and won multiple awards for her talents. Her songs have been praised for their ability to take listeners on journeys to beautiful, real landscapes, that are firmly grounded with a sense of place. Visit Dahl's social media to sample her talent and learn more about her.

Black Hawk Folk Society is a non-profit organization dedicated to promoting and providing folk music to Wisconsin's heartland, especially during the pandemic. Upcoming concerts include performances by Dan Weber, Michael and Joshua Ammons, and others. Please watch for updates at this site, or at Black Hawk's website or Facebook page.

[Community Foundation of Central Wisconsin responds to COVID-19 needs in Waushara](#)

The Community Foundation of Central Wisconsin is responding to critical needs in Waushara County due to the coronavirus (COVID-19) outbreak with emergency funding and a new relief fund. The Community Foundation of Central Wisconsin has announced that they have provided \$10,000 in emergency funding to the Waushara County Food Pantry to address needs due to the coronavirus (COVID-19) outbreak. With food insecurity being a critical issue identified during this COVID-19 crisis, this funding is crucial to ensure the pantry can keep providing nutritional food to county residents.

In addition to supplying the emergency funding, the foundation also launched a new relief fund this week, Waushara County COVID-19 Relief Fund. The Waushara County COVID-19 Relief Fund is meant to provide flexible resources to organizations assisting individuals in Waushara County who are negatively impacted by coronavirus and the economic consequences of the outbreak including, but not limited to:

- Food insecurity
- Education interruption
- Employment reduction
- Housing vulnerability
- Medical access
- Mental Health
- Childcare

The Community Foundation will begin accepting applications beginning Monday, March 30. Funding decisions will be made based on the highest areas of need determined through ongoing communications with non-profit agencies and social sector serving agencies. Award decisions will be made every other Friday starting April 10. Organizations can apply online at www.cfcwi.org.

Community members are encouraged to support the needs of Waushara County by making a gift to this fund. The Community Foundation made an initial gift of \$10,000 to start the fund. Join this effort by donating online at www.cfcwi.org. All the money raised will be used to address critical needs resulting from the coronavirus outbreak in Waushara County. Checks can be mailed to the Community Foundation of Central Wisconsin at 1501 Clark Street (ATTN: Waushara County COVID-19 Relief), Stevens Point, WI 54481.
