Prizes will be awarded in four age groups. 1) ages 6-8 2) ages 9-12
3) ages 13-16 and 4) ages 17 & up

Shooting times and distances:

11:00 - 11:30	Age 6-8	Shooting will be from 10 yards
11:30 - 12:00	Age 9-12	Shooting will be from 20 yards
12:00 - 1:00	Age 13-16	Shooting will be from 25 yards
1:00 - 2:00	Age 17 and up	Shooting will be from 30 yards

Each archer will shoot have two minutes per target and will shoot five (5) arrows at each target. Once the archer has shot at each target, the score of each target will be tabulated, all target totals will be added together and divided by the number of targets to determine the final score.

Example: Five arrows shot at deer with a total of 49, five arrows at bear with a total of 48 and five arrows at turkey with a total of 40 added together are 137. 137 divided by 3 is a final score of 45.6
