"The Camrose Chamber of Commerce is a strong collective voice committed to fostering a prosperous, vibrant and dynamic business community."

January 2020

ISSUE 01

We sincerely hope you all have a wonderful Holiday season with family and friends and wish you safe journeys, wherever you travel.

To all of you, Happy New Year! We've experienced a lot of economic change the past few years and are proud of the collaboration we see among our Members during these uncertain times. Thank you for your investment in our Chamber. Together, we are stronger.

2019 Cash Mobs attributed to over \$18,000 of investment in Camrose businesses. Featuring our Chamber Members, this program showcases our businesses products while encouraging local spending. It's been an eye opener becoming aware of the fantastic selection and quality of items available here in Camrose.

We are excited to announce that we are hosting a Japanese Trade information session on March 24th. If you or a business you are aware of is interested in learning more on export trade to Japan and how it can benefit your business, please contact me for more information. This session is open to all businesses, so please share the invitation.

Finally, watch for our New Year's Digital Sign Special on January 3rd. If you blink, you'll miss it!

Our office will be closed from December 24th – January 3rd. We'll see you in the 2020!
