Thank you for all of your support this summer with the Mirror Lake Express!

We've had a very successful train season despite some rainy days! We have had 3,549 ticket sales to date and many individual rentals! A big thanks to Tom Chelmick, Ken Aldridge & Jeff Wraight and all of our other train volunteers that kept it going.

We can't thank you all enough!

**President's
Message:**

Fall is in the air. I hope everyone had a wonderful summer and had the opportunity to spend some time with family and friends. We look forward to the challenges of a new year and there will be many.

The fast approaching, further increases to minimum wage will bring added pressure to already taxed small businesses. We at the Chamber are advocating on your behalf with the provincial government. I would ask that our members take the time to reach out to the Chamber with your questions, so that we may better represent your concerns. We do have a voice and can impact policy at a Federal, Provincial, and Municipal level.

We are stronger together. Businesses united with a single message representing the day to day challenges of operating a business. You are the heart of the economy and we appreciate everything that you do.

You have the opportunity to see Alberta Chambers policy work in action in May when we host the 2019 Alberta Chambers AGM and Policy Sessions.

There are also many exciting events coming. Small business week is just around the corner. Pick your favorite business and make them front and center in our community. I look forward to seeing everyone at the Chamber luncheon, Cash Mob, the networking breakfast, and our many other events.

Julie Girard, President
