

Campus	Description of Request
Sam Houston	Alternative seating for 25 in a classroom including multi height tables, yoga balls, mats, fidget chairs, floor pillows, back rests.
Rusk	We have a need for more crops genre literature. Scholastic has a student magazine that will fill this need.
Bowie	Requesting a teaching easel. These are ideal for whole group and small group instruction. The easel has a magnetic write & wipe surface on each side: One is blank for drawing and demonstrating concepts/one has permanent 1 1/2 writing lines. \$350
Sam Houston Elementary	Flexible seating for my classroom to create a more comfortable learning environment
Sam Houston Elementary	Each grade level has a printer except pre-k. Ours broke before I started working at Houston and we have been borrowing second grade but it's hard when we have different conferences. We would love our own laser printer so we can print amazing lessons.
Bowie Fine Arts Academy	Need to purchase books to update and expand library.
Coleman High School	Many of our students are reluctant readers. We would like to purchase Playaways so students can listen to books to generate interest in reading.
Sam Houston Elementary	Teachers would like to bring Rhett Price (musician) to school for an assembly designed to teach students the importance of practice to obtain a goal.
Bush Elementary	My campus has 1 of 2 Autism Units in MISD. These students are mainstreamed and I would love to be able to have flexible seating in my classroom to promote different learning styles for all of my students.
Burnet Elementary	I wish to purchase 4 Chromebooks strictly for student use in my classroom (\$165.99 each) as the use of our Learnpads is no longer an option.
Jane Long	Need narrow tables (Like hotel training rooms) for our computer lab. Currently using rolling carts. IT says that is why computers are always breaking down.
Sam Houston	I am requesting flexible seating options for my students to be their best learning selves in the most comfortable environment.
Sam Houston	I am requesting various mentor texts to use with our writers workshop program. Mentor texts show students what good writing looks like and allows students to envision possibilities in their own writing, thus inspiring and igniting creative writing.
Bush Elementary	Alternative Classroom Seating for 24 first graders. Hope to increase student motivation and engagement.
Fannin Elementary	Fannin is implementing yoga practices for kids to help them stay focused, on task, and help with relieving anxiety. We are looking to buy 10 yoga mats.
