### **The Young Entrepreneurs Academy**

The Young Entrepreneurs Academy (YEA!) is a 501(C) 3 offering groundbreaking year-long classes that teach middle and high school students how to start and run their own businesses. Throughout the class, students develop business ideas, write business plans, conduct market research, pitch their plans to a panel of investors for startup funds, and launch and run their own, fully formed companies and social movements. The project-based program empowers students to take charge of their futures.

Founded in 2004 at the University of Rochester with support from the Kauffman Foundation, YEA! today serves thousands of students nationwide. In 2011, the United States Chamber of Commerce Foundation became a national sponsor and partner of the Academy to help celebrate the spirit of enterprise among today's youth and tomorrow's future leaders.

YEA! bridges the business and educational communities to fulfill its mission of teaching more students how to make a job, not just take a job.
