Re: Business Insurance and What You Need to Know

LUBBOCK, Texas – The Lubbock Chamber of Commerce will hold its next webinar of the COVID-19 Pivot series, presented by [Carpet Tech](#) on Wed., Sept. 23. The webinar titled “Business Insurance and What You Need to Know” will be held at 10 a.m.

The past six months have been ever-changing from the way people connect with family and friends, to education, workforce, and even shopping habits. Has business insurance changed too? In this webinar, attendees will hear from Nick Reid and Jason Potter of Marsh & McLennan Insurance Agency as they share why business insurance wasn’t suited to respond to the pandemic, what the insurance companies are doing moving forward with the creation of the Pandemic Risk Insurance Act (PRIA), and the evolution of exposure in a post-pandemic age. They will also discuss healthcare legislation and the employer, Section 125 Plans, as well as benefits businesses may be overlooking to help attendees ask their providers the right questions while understanding the importance of continued coverage.

Tickets are \$25. Chamber members receive a discounted price of \$15. The entire series can be purchased for \$200, and the Chamber member discount is \$100.

The COVID-19 Pivot series is an innovative virtual program designed to help businesses adapt to the ever-changing world and the dynamics of the workplace while expanding current essential knowledge.

Upcoming topics to be covered in the series are Hiring: What to Expect During and After the Pandemic; HR Changes During and After the Pandemic; All About Loans and How Your Business Could Benefit; and The “New” Norm of Childcare.
