Lubbock Chamber Celebrates Texas Chamber of Commerce Week

LUBBOCK, Texas – The Lubbock Chamber of Commerce joins other Chambers of Commerce around the state of Texas in celebrating Texas Chamber of Commerce Week October 17-21.

The Chamber will kick-off the week by hosting an open house at the Chamber office on Mon., Oct. 17, from 4-6 p.m. Members and prospective members are encouraged to stop by for refreshments. Current Chamber members that attend the open house can sign up to be entered into a drawing for a \$300 voucher that will be applied towards their 2017 dues. Any new members who sign up for membership during the week of October 17-21, will have their application fee waived.

Chambers of Commerce have played an important role in the development of our nation and the state of Texas. Whether openly or with a silent hand chambers have guided policy and taken action to affect change in our state and been present at many famous and infamous places throughout our countries history. At each strategic inflection point of your community and this state, if you look closely, it is a safe bet that the chamber of commerce was present.

As a Chamber member or citizen of a community benefitting from the work of your local chamber of commerce, your money, how and where you get to work, how the country or this state was settled, even possibly the existence of this country as we know it has something to do with the chambers of the past. This remarkable history provides us with great hope for the future of our country and this great state.

The Lubbock Chamber thanks its professional staff and volunteer leaders that work every day to make the community a great place to live, work and play.

The Lubbock Chamber of Commerce represents over 2,000 businesses and over 79,000 employees on the South Plains which accounts for over \$2 billion in annual household earnings in Lubbock and West Texas. The Chamber has twice earned the distinguished 5-Star Accreditation from the U.S. Chamber of Commerce and is a two-time Chamber of the Year recognized by the Association of Chamber of Commerce Executives.
