Dear Potential Traveler,

Rich in culture and stunning scenery, gorgeous Switzerland is the breathtaking destination! Enjoy an eight-day journey back to the old country on Sept. 10, 2019 where you will have the opportunity to immerse yourself in their rich history. During this unforgettable trip, you'll experience everything Switzerland has to offer—from the majestic city of Lucerne, to the beautiful cities of Grindelwald & Interlaken. You can also visit the city of Lugano, known for its influence of Italian culture, or travel up to Europe's highest railway station – Jungfrauoch – a dizzying height of 11,333 feet.

As you consider whether to travel with our Lubbock Chamber group, please feel free to ask any questions you might have. We recommend that you do some “homework” to help with your decision. Read a few travel guides and research Switzerland on the internet. We are convinced that this will be one of the most unique trips you will have the opportunity to make.

Please do not wait too long to decide whether to accompany us, as space is limited. We feel that this tour is an exceptional value. The cost is \$3,349 (per person, based on double-occupancy) departing from Lubbock, and includes your round-trip airfare, first-class hotel accommodations, deluxe tour bus, a knowledgeable English-speaking tour guide, breakfast daily, tours and entrance fees for attractions, and 3 dinners!

A single room for the entire trip will cost an additional \$600, and trip cancellation and interruption insurance is available. A deposit of \$450 (\$150 of which is non-refundable) per person is required and due at the time of registration.

The Lubbock Chamber is sponsoring the trip in cooperation with Chamber Discoveries, experts in group travel for over 30 years, with a nationwide team of travel consultants and first class travel programs. We are confident that they can respond to your inquiries to your satisfaction. Whether you have questions on tipping or taxis, luggage or lunches, customs or culture, Chamber Discoveries and the Lubbock Chamber will prepare you well for your adventure.

We hope you will take advantage of this opportunity and join us as we explore Switzerland.

Sincerely,
