The Smithville Sculpture on Main Project is accepting applications for outdoor sculptures.

Sculptures will be selected through a juried process and will be considered to be “on loan” to the Cultural District while they are in Smithville. They will be installed throughout Smithville’s historic downtown Main Street for one (1) year. Sculptures may be for sale while on loan to this project.

You are invited to submit your work to be displayed for the year-long public exhibit that showcases outdoor sculpture. Please note the following guidelines:

1. This call is open to all artists. A sculpture currently owned by an individual other than the artist may be submitted along with a certification of authenticity from the artist.

Interactive sculptures with sound, lights, or movements are not admissible. Sculptures that need electricity or water will not be accepted.

2. The five sculptures accepted MUST be able to be secured to an 18 x 18 x 12-inch base provided by the City or be of a free-standing nature with no base required. A 12 x 12-inch template with the position of the four bolts in the pad will be provided to artists to ensure that their sculpture can be affixed securely to the base. The sculpture must have steel tabs or plates attached to the bottom in order to secure the sculpture to the concrete base. Sculptures must be durable enough to withstand exposure to the elements for one (1) year and safe for the viewing public. The City of Smithville (The City) will provide insurance on all installed artwork for the year. It is the artist’s responsibility to work with the City to install and remove the sculpture.

3. Each artist may submit up to three works. A non-refundable entry fee of \$25 for the first sculpture and \$10 each for up to two additional sculptures will be required for each submission. This fee will help keep the program sustainable.

Submit the attached application form and at least three but no more than five photographs showing the sculpture at different angles. Email high-resolution digital photos to Bridgette Padgett at bridgette.padgett@smithvilletx.org or send files by mail to the Smithville Area Chamber of Commerce/100 Main Street, Smithville TX 78957. Digital photographs must be at least 300 dpi, physical photos must be at least 5" x 7" size to be provided to the jury as well as to be used for marketing the program. Please note that the quality of the photograph can influence the jury process.

Drawings/Plans for sculptures are not acceptable in lieu of photographs of completed works.

Entries including photos and fees are due by 10:00 AM on October 30, 2020.

4. Jury recommendations will be based on the originality and creativity of the sculpture as well as its safety, durability, and suitability for an outdoor public exhibit. An out-of-town, blind jury process will be used to select sculptures. Project organizers will choose members of the jury.
5. All artists selected to exhibit a sculpture must sign an artist's agreement with the City and provide a W9 form (www.irs.gov/pub/irs-pdf/fw9.pdf). Participating artists will meet with representatives from the City and the Smithville Area Chamber of Commerce by appointment after the artist submits the signed agreement and W9 to install the sculpture. All artists agree to leave sculptures accepted for display in place until November 2021.
6. A \$250 stipend will be issued to help offset the costs of delivery, installation, and removal of sculptures per each accepted sculpture. Between November 25 and December 14, members of the community will be invited to judge the sculptures for prizes. Photos of all of the sculptures will be included in the survey, but sculptures that are not installed in time may have a lower chance of winning if people are not able to see them in person.

Prizes: First Place: \$500, Second Place: \$300, and Third Place: \$200.

7. Artists may contact the City to help them install the sculptures if needed.
8. ***The sculpture may be for sale.*** If a sculpture is purchased during the exhibit year, the owner is requested to keep the sculpture in place until the end of the year's program. If the sculpture is removed (upon condition that the City agrees to its early removal), the artist who provided the sculpture will install another sculpture (subject to City approval) at the artist's expense.

A commission of 10% will be due to the City of Smithville for any sculpture that is sold through the Smithville Sculpture on Main program to help sustain Cultural District programs.
