

Regional Chamber Benefit - Regional Loyalty Premium - Regional Bonus

- The regional discount is an agreement between the Bay Area, Midland Area and Saginaw County Chambers of Commerce.
- When your business is a member and pays full dues at your home Chamber (county where your business is located), the other two Chamber's will give you a 25% dues reduction benefit when you become members of their Chamber. The regional discount benefit will not fall under the lowest dues level of one employee.
- You must ask for this benefit.
- If you decide to drop your membership with your home Chamber, you must notify the Chamber(s) in which you receive the 25% dues benefit.
- If your business falls outside of Bay County, Midland County and Saginaw County, you may decide which of these three Chamber's will be your home Chamber.
- The regional discount does not apply to non-profit, government bodies, government officials, financial institutions or individual membership dues.
