GREATER PITTSTON CHAMBER OF COMMERCE

WOMEN'S NETWORK

The Women's Network exists to encourage and empower women to create heartfelt, meaningful relationships with one another that will in turn strengthen our community. We also focus on helping our members market and promote who they are and what they have to offer.

Did we mention Wine!

Our events give you the platform to network while having a GREAT time!

The Women's Network Scholarship Program awards a Pittston Area and Wyoming Area Female Senior who promotes the good image of the Greater Pittston Community and through involvement in areas such as co-curricular activities and community services, accepted into a Baccalaureate Program at an accredited college or university and must manifest good student conduct.

If you or someone you know is interested in joining the Women's Network, please complete the membership form below or contact the Greater Pittston Chamber of Commerce at 570-655-1424 or by email, info@pittstonchamber.org. We look forward to seeing you at our next event!

For additional benefits, please contact us today on becoming a member of the Greater Pittston Chamber of Commerce.
