Company History? Years in business?

Work Skills Corporation (WSC) is in its 46th year! WSC, headquartered in Brighton, began in 1973 as a grass roots effort by a group of parents, all of whom had children with disabilities. The intention was to provide their loved ones with the skills and training that would ultimately lead to competitive employment. Since that time, WSC has expanded in response to unmet needs in the communities we serve.

home health care, residential services, staffing, behavioral services, secondary education, production and art.

What products or services do you offer companies or individuals?

Work Skills Corporation provides diversified employment, education and training services to meet the needs of people with barriers to employment throughout Southeastern Michigan. The Work Skills Corporation family of companies includes Employment Services, Production Operations, Action Associates Staffing Service, Action Home Health Care, Residential Services, Studio West Gallery, Artisan Corner, Behavioral Services and the WSC Academy.

What's an interesting fact about your business most people don't know?

What accomplishments are you most proud of?

WSC serves 2,000 (plus or minus) individuals each year, providing them the tools they need to optimize their potential.

What are the greatest obstacles and/or challenges that your business has faced? How have you and your business overcome them?

What do you foresee in the future for business?

As someone doing business in and around Hartland, how does the chamber help you?

Being a chamber member has increased awareness of WSC, which is huge. We have enjoyed hosting several chamber events at our Studio West Gallery, and appreciate those who have taken the time to come to our corporate offices for a tour.

When you are not working, what do you like to do in your free time?
