Family: I have two parents that retired in Traverse City, Michigan

Education: High school graduate

Activities/organizations I am involved with outside of work: I am very involved in the motorcycle community. We have tons of rides for charities in Michigan. I am also involved in a local billiards league a couple days of the week. We compete in tournaments throughout the year. I was able to complete the Tough Mudder this year with some of my members and trainers. When I can I try to sign up for fun marathons and stay in shape

Prized possession(s): I love anything with two wheels. I purchased my dream motorcycle last year. 2006 Gsxr 600

People I admire & why: Marvin & Debbie Henderson own four Anytime Fitness locations including Hartland & Howell. They are a wise, intelligent, and business savvy duo. They give back to the community and I strive to be more like them

Something someone might not know about you: I can be very competitive. I love challenges and I'm always determined to give my best.

I joined the Hartland Chamber because: I believe that being a part of your local community is extremely important and that supporting your local businesses is mandatory. The Chamber is a great way to accomplish this
