Family: Happily married for 9 years to my husband and soul mate. We have 3 sons, our oldest is a United States Marine and him and his wife blessed us with 2 grandchildren, girl 8 and a boy 7. Our middle son and his wife blessed us with a boy 3 years old now. Our youngest son is looking to join the Peace Corps in the near future.

Education: I have a Bachelor of Arts degree from Central Michigan University. I am a Certified Business Professional.

Activities/organizations I am involved with outside of work: I love taking our grandchildren camping where we can walk, ride bikes, swim, fish and have bonfires. The Halloween celebration at the campground is so much fun and we all dress up and visit all the other campers for tricks, treats, thrills and chills.

Prized possession(s): Our new Imagine travel trailer that we are taking to Florida for a vacation.

People I admire & why: Princess Diana because she stood up for what she believed in and treated every person fairly and without prejudice. The military, policeman and fireman that protect all of us every day and put their lives on the line before all else to do so.

Something someone might not know about you: _I made jewelry out of a material called 'Friendly Plastic' and attended several craft shows with over 100 pieces that I either melted in the oven or in boiling water so I could physically mold the shape that I desired. _____

I joined the Hartland Chamber because: My position of a Business Services Coordinator allows me to be active with all of the Livingston County Chambers to support their efforts and to speak on behalf of Michigan Works! Southeast. Networking is a very important component of this business.
