Sponsored by

Keep Woodstock Beautiful, Woodstock's 2nd annual Community Clean Up Day will be held on Saturday, May 6th from 8:00am until 12:00pm.

The **Woodstock Chamber of Commerce**, the **City of Woodstock** and the **Environmental Defenders of McHenry County** along with community residents, will organize this free family-friendly event every year, promoting a clean community.

The morning begins with registration and a continental breakfast at **Matrix 4, 610 E. Judd Street, Woodstock**. After registration, volunteers are given garbage bags, gloves and a location assignment, to venture out into community streets, neighborhoods and parks, to clean up the trash left behind. After collection efforts, participants are invited to return to the registration site for a hot lunch of freshly grilled hot dogs, chips, soda, and more!

We welcome individuals and groups of all kinds – scout troops, church groups, families and more. Businesses are encouraged to gather groups of employees and participate to show community spirit and become motivated in this team-building event.

There is no minimum age for participation; all are welcome, when accompanied by a parent or guardian. This is a "rain or shine" event; please dress appropriately for the weather. It is suggested that you carry your own bottled water to your clean-up destination.

Smaller groups, families and individuals are encouraged to register in advance at Volunteer Spot: <http://signup.com/go/zbZNh5> however you are welcome to simply show up the morning of the event.
