Welcome to the Costa Mesa Chamber of Commerce!

We are delighted that you have chosen to join and support the Costa Mesa Chamber of Commerce. We recognize and understand the challenges facing businesses and we are working tirelessly on your behalf. Taking care of you is our business.

Chambers of commerce were created for times like these, and so from our [COVID-19 Resources web page](#) to advocacy for our members and community, the Chamber is committed to helping navigate this shared journey.

Your support of the Chamber enables us to:

- **Stimulate the local economy** through local initiatives, programs, and services
- **Advocate for business** by promoting a pro-business climate
- Highlight local businesses and **promote their visibility**
- Provide timely **communications about issues that impact local businesses**
- Provide essential resources such as **digital advertising opportunities**
- Offer relevant services such as signing of **certificates of origin**, and other important documents

Your membership provides access to various networking opportunities, region-wide marketing, exclusive advertising perks and an abundance of programs to help your business thrive. We also serve as a networking and referral service and are the leading and most effective promoter of businesses in Costa Mesa. Our FREE "What's Up Costa Mesa" APP (iOS & Android) helps your business get promotional messaging out into the community such as hot deals, job postings, and volunteer opportunities. You can also stay updated on community news and offer/receive discounts at many local retailers. Please login to our [Member's Portal](#) to take advantage of these resources.

Our organization is strong because of you. Please contact us if there are additional ways that we can be of service to you and your organization. Thank you again for your commitment and partnership.

Wishing you good health,

Eileen Benjamin

CEO
