

Mike Michaud (mailto: mmichauddance4joy@gmail.com), Director of Development, Dance 4 Joy Ministries

Mike Michaud joined 'Dance 4 Joy Ministries' in October 2019, as Director of Development. Mike brings 25 years of sales, marketing and business relations experience from the corporate side. His responsibilities consist of increasing student enrollment at the dance studio in Costa Mesa, building partnerships with businesses, churches of all denominations, school outreach programs, civic organizations, and non-profits who request assistance with services.

Mike has the passion "to raise up the next generation to spread the gospel through dance." He is committed to inspiring the youth of Southern California into a Christ centered life that flourishes in compassion, integrity, discipleship, excellence and leadership. He is a leader at his church with Children's Ministry, Marriage Couple Ministry, Missions Ministry, Security Ministry and assisting with the Women's Ministry luncheons.

Mike quickly recognized the value the Chamber of Commerce offers to the community and businesses and has already taken an active role in the luncheons, ribbon cuttings and assisting members with various business leads.
