

## Benefits of Membership

Membership in the Costa Mesa Chamber of Commerce is an important resource to grow your business. Listed below are several benefits your membership delivers to you. In addition, research shows that consumers believe that members of their Chamber of Commerce are concerned about good business practices, operate reputable establishments and are involved in their local community. We help facilitate these qualities in every valued member of our Chamber.

For a moderate annual fee, your membership gives you:

- Free posting and access to our community app *What's Up Costa Mesa*
- Increased visibility and credibility in the community
- Recommendations to members for customer referrals
- Linkage and announcements on our community website
- A local place to network, make business contacts, exchange leads and referrals through breakfast, lunch and after hours mixers.
- Expand your reach with our Facebook and Twitter sites
- Access to members-only discounts and business to business commerce
- Updates on ever-changing issues as primary resource for information on business development and trends in the community.
- Business tools and seminars
- Guidance for business expansion or relocation in to Costa Mesa
- Discounted LA Times Advertising
- Free Ribbon Cuttings and "Please Meet" Article in Newsletter
- Free Certificates of Origin
- Free Job, Internship & and Apprenticeship postings
- Free Community Calendar listings for your Events
- Breakfast, Lunch & Evening Networking Events
- Membership and Anniversary Plaques
- Your bridge between business and government.
- Advocacy to the local, county, state and national levels as the leading proponent for the interests of local business.
- Help provide scholarships for students or prepare students for the workplace through partnerships between businesses and schools.
- High visibility Community Events and Sponsorship Opportunities to let Costa Mesa know that you care!
