Women's Business Council Expert Sports Series: Bikes

OPELIKA, Ala.- (March 7, 2019) The Women's Business Council continues their Expert Sports Series on Tuesday, March 26 at James Bros. Bikes. At the breakfast, participants will learn about the many different types of bikes, the local biking clubs, the safety of riding a bike and so much more.

James Bros. Bikes was first started in Opelika in 2005 as Golden's Bikes. When Danny and Amanda James bought the shop in 2010 they changed the name and relocated to Auburn. Since then they have added a second location back in Opelika.

Their experienced staff at both locations are available to help you with any repair your bike may need on a range of brands and kinds. Also, when you purchase your bike from James Bros. Bikes, you will receive a year of free tune-ups.

The cost is \$25 and the deadline to register for this event is March 22. Registration can be found online at www.opelikachamber.com.
