

COVID CARES APPRECIATION BREAKFAST

WHAT IT IS: For over a month and half, the Opelika Chamber provided close to 2,300 meals for East Alabama Medical Center call center employees, janitorial staff, respiratory therapists and CVICU employees with the help of 25 restaurants and caterers and over \$11,000 donated by chamber members.

This breakfast is to recognize those that helped the Opelika Chamber during this difficult time to provide funding and meals to help our local hospital staff during COVID-19.
