

EDUCATOR'S BREAKFAST LEE COUNTY SCHOOLS

WHAT IT IS: Prior to the beginning of the school year Lee County Schools has approximately 100-120 new employees (teachers and support staff) come together for training in a 3 day workshop. This is an opportunity to show your appreciation of the great educators and leaders in our community!

WHY IT WORKS: If connecting with new teachers in the area will benefit your business, this is a prime opportunity to connect, send them home with gifts & thank them for all they do.
