

OPELIKA CITY SCHOOLS EDUCATOR'S BREAKFAST

WHAT IT IS: Opelika City Schools always host an event to welcome over 50 new teachers to the school system. They come together for a whole day of training. This is an opportunity to show your appreciation of the great educators in our community as they start their first day of training to help our children!

WHY IT WORKS: If connecting with new teachers in the area will benefit your business, this is a prime opportunity to connect, send them home with gifts & thank them for all they do.
