

## **OPELIKA CITY SCHOOLS EDUCATORS & FACULTY INSTITUTE BREAKFAST**

**WHAT IT IS:** This is a BIG day for Opelika City Schools! Over 600 faculty & support staff come together, includes breakfast and a speaker to enhance teaching skills, learn and prepare for new changes in the curriculum, discuss grade level management and logistics, and be trained to use new learning systems.

**WHY IT WORKS:** If connecting with teachers & faculty in the area will benefit your business, this is a prime opportunity to connect, send them home with gifts & thank them for all they do. To have ALL faculty in one room, at one time and connect with them is a big opportunity to get your message out to influential educators & support staff in our community.
