

TOTAL RESOURCE CAMPAIGN

WHAT IT IS: In an organized seven weeks, volunteers raise the funding for our Chamber programs for the entire year. A TRC markets sponsorship's of the Chamber's programs, events, publications and electronic media, as well as recruits new members.

WHY IT WORKS: *"As a business owner, The Total Resource Campaign gives me the opportunity to design a custom sponsorship and advertising strategy that best fit my business goals. And as an added benefit, it allows me to support the local Chamber of Commerce that does so much to bolster area businesses." - Nathan Kastner, Business Owner*
