

State of the Art Healthcare

Confluence Health

Confluence Health was formed in 2013 as an affiliation between the Wenatchee Valley Medical Center and Central Washington Hospital, to create an integrated rural healthcare delivery system that includes two hospitals, multi-specialty care in over 30 service lines and primary care in ten communities across North Central Washington. With over 225 physicians and 100 advanced practice clinicians Confluence Health serves an area of approximately 12,000 square miles, and covers nearly every corner of this region through specialty outreach. The mission of Confluence Health is dedicated to improving patients' health by providing safe, high-quality care in a compassionate and cost-effective manner. For more information, visit www.confluencehealth.org.

There are four locations in the greater Wenatchee area:

Confluence Health | Central Washington Hospital & Clinics

In May 2011, a five-story patient tower expansion project was completed, featuring all private patient rooms with dedicated family areas and 206 beds in state-of-the-art technical facilities. At this location, a full range of services are offered, including inpatient and outpatient surgery, cardiac program, coronary and intensive care, respiratory care, oncology, dialysis, neonatal nursery, home health and hospice, regional trauma emergency department, and skilled nursing and rehabilitative services such as cardiopulmonary, physical, speech, and occupational therapies. Central Washington Hospital has been nationally recognized as being in the Top 100 Hospitals for orthopedics, intensive care, cardiac and community value. Located at 1201 S. Miller Street in Wenatchee, or call (509) 662-1511.

Confluence Health | Wenatchee Valley Hospital & Clinics

The Wenatchee Valley Clinic was founded at this site in 1940 by Dr. Lumir Martin "Mart" Mares, Dr. Albert Donald "Don" Haug and Dr. Lloyd Smith. Their vision was to establish a comprehensive medical practice using the Mayo Clinic model for residents of the Wenatchee Valley, and to one-day house all medical specialties under one roof. Today, this site is home to over 40 specialty practices, a regional cancer treatment center, sleep lab, full-service laboratory, comprehensive diagnostic imaging department, clinical research department and a state-certified medical/ surgical/ rehabilitation hospital. In addition to partnerships with the Seattle Cancer Care Alliance, Virginia Mason, and University of Washington, it has received accreditations from the Commission on Cancer and CARE, which is North America's highest standard of clinical quality for the Rehabilitation program at Wenatchee Valley Hospital. Located at 820 N. Chelan Avenue in Wenatchee, or call (509) 663-8711.

Confluence Health | East Wenatchee Clinic

This location is home to a walk-in clinic, family medicine, internal medicine, pediatrics, behavioral medicine, anticoagulation, laboratory and radiology. Located at 100 Highline Drive in East Wenatchee, or call (509) 884-0614. Confluence Health | Cashmere Clinic The Cashmere Clinic offers family medicine and anticoagulation, and is located at 303 Cottage Avenue in Cashmere, or call (509) 782-1541.

Columbia Valley Community Health

CVCH provides comprehensive medical, dental and behavioral health services for the entire family. With 6 locations in Wenatchee, East Wenatchee and Chelan they provide quality, affordable health care to everyone in North Central Washington. Services include prenatal and pediatrics, family medicine, diabetes management, children's and adult behavioral health, behavioral medicine, WIC nutrition services, radiology and pharmacy. Private insurance is accepted as well as Medicaid, Medicare, medical coupons, and a sliding fee scale is available as needed. For more information call (509) 662-6000 or visit www.cvch.org

Columbia Pediatrics

Columbia Pediatrics specializes in the care of infants, children and adolescents. All pediatricians are board-certified by the American Board of Pediatrics. Physicians and nurses diagnose and treat health problems in addition to providing primary and preventive care. Columbia Pediatrics is conveniently located on the Central Washington Hospital campus at 933 Red Apple Rd Ste. C and offers evening and weekend hours to care for urgent problems. For more information call (509) 663-8767

Eye & Ear Clinic of Wenatchee

The Eye & Ear Clinic provides specialized care for diseases of the eye, ear, nose and throat. The clinic employs specialists in the areas of ophthalmology, optometry and otolaryngology. They also offer services in skin care, allergies, hearing aids and fashion eyewear. For more information call (509) 662-7143. Emergency Medical Transportation Two companies offer emergency medical transportation services in the Wenatchee Valley – LifeLine Ambulance and Ballard Ambulance. Each maintains the utmost standard of personalized care and safety while offering the latest in mobile emergency medical services. Lifeline Ambulance Inc. 509.663.4602 Ballard Ambulance 509.662.5111

Catholic Family & Child Services

Catholic Family & Child Services is a network of 7 offices serving over 60,000 persons annually. They support families through early learning services, strengthening families through specialized mental health services including crisis service, or assisting seniors so they can remain living independently. CFCS is an essential resource in Chelan and Douglas Counties for over 53 years. Please call (509) 662-6761.

Aging and Adult Care of Central Washington

Aging and Adult Care of Central Washington provides informational services and assistance such as home-delivered meals, legal services, respite care, transportation and more. Contact Aging and Adult Care of Central Washington by visiting www.aaccw.org or calling (509) 886-0700.
