A refundable (up until July 15, 2019) registration fee of \$300 per person is required and due at the time you register. This will be deducted from your total tour fare, the balance of which will be due by July 15, 2019. If you need to cancel the trip for any reason after July 15, 2019 you will be at a loss of \$500 on top of the \$300 registration fee, otherwise you will receive a full refund (minus the \$300 non-refundable registration fee).

Securing or updating a passport is your responsibility. Passports must be valid 6 months past travel date. Travelers will need to provide their passport, signed visa application form, one passport photo and the visa application fee to Chinese Consulate visa application center. You might ask Citslinc to help with your visa application.

There will be a valuable pre-tour briefing for all participants; date, time and location will be announced. We will answer all your questions and familiarize you with details you will need to know. Citslinc International Inc. has 33 years of experience in the China tour business and we are confident they can respond to your inquiries to your satisfaction. China is a modern country, so you need not feel as though you are preparing to travel back in time, to a less sophisticated society. In many instances, the country is not "behind" so much as "different." For example, you will find very few ATM machines, but travelers' checks and credit cards are accepted everywhere, so leave your checkbooks and check cards behind. The electricity in China is 220 volts and an adapter is required to operate even an American hair dryer. Both the adapter and the hair dryer are available at the hotels in which we will be staying, but it is recommended that you bring your own adapter if you will need to plug anything in. Though you will be treated to sumptuous regional foods, you will also find many American fast-food chains including McDonalds, KFC and Starbucks.
