

To: All Parade Participants

From: The Main Street Bank Fantasy in Lights Parade Committee

Thank you for your interest in participating in our 36th Annual Parade. We look forward to putting on a safe and responsible parade in these crazy, ever-changing times. Taking COVID-19 precautions and guidelines into consideration, we may alter the parade route and will be discouraging in-person viewing of the parade. We are proud to say, we partner every year with WTOV-9 for their live broadcast. Additionally, this will be broadcast live on WTRF-7. We will likely not be able to have bleacher seats available for sale.

While we know the Valley looks forward to this event every year to kick off the holiday season, we are trying to take every precaution possible and request your assistance in the various ways you can help, such as limiting the number of those in the staging area and being mindful of those participating on your float. We will be providing several options for our mandatory pre-parade meeting and will provide the most up-to-date information at that time. We look forward to a wonderful, successful, enjoyable event. Please communicate with our office with any questions, you may have. Thank you again for your interest.
