Are you or someone you know starting a business or just entering into a career? Are you or someone you know in need of someone to talk with about the challenges that you are facing in business and/or career development?

Then the Women in Business Mentoring Program is a great solution!

The Women in Business Mentoring Program was created to assist with the development of mentor-mentee relationships to serve as a means of career development for women in business. The year-long program will be comprised of an orientation, quarterly peer mentoring groups and a year-end program and celebration.

Eligibility Requirements:

Nominations are accepted for women who are in their career for three years or less. The program pairs a small group of mentees and mentors. The program will run for one year beginning early 2019. Nominees must live or work in Clayton County. Consideration will also be given to Clayton County Chamber of Commerce members in good standing. The Women in Business Mentoring Committee reviews and selects the class participants. A mini-interview session may be required of the finalists for the program.

Nominate a coworker, colleague or yourself for the 2019 Mentoring Program today! Once nominated, a representative from the Women in Business Council Mentoring Committee will contact you and provide you with an application.
