

Clayton County Chamber of Commerce, Purchasing Alliance Solutions and UnitedHealthcare Announce Expansion of Chamber Sponsored Employee Benefits Options Through Healthy Business Alliance™

We are pleased to announce our new initiative to reduce the increasing cost trend of health insurance through the introduction of healthy lifestyle tools for employees and their families, and to assist small business owners in improving the health and efficiency of their business operations by making available value-added services and business management tools through a program sponsored by the Clayton County Chamber of Commerce and distributed through brokers.
