Events are essential in community building. Paradise Ridge Chamber's online community calendar has long been the go-to for local and regional media outlets, offering cross promotional opportunities and press coverage.

We thank our organizations that stage a range of events to inform, uplift, and unite, demonstrating that our Ridge institutions exist organically and vibrantly outside of the buildings that once housed them.

As a first step, please check the online calendar to ensure that your event has not already been submitted.

Submit your events [here](#) and check the calendar frequently.
