

Paradise Ridge Chamber of Commerce Ridgebucks Gift Cards

Your Chamber encourages local spending with its Chamber Gift Card program, a neighborhood shopping initiative encouraging the retention of sales tax dollars on the Ridge. Annually, community members redeem over \$60,000 in Ridgebucks at 90 local Chamber businesses representing a broad selection of goods and services.

Businesses benefit from increased customer traffic, and the community benefits from the dollars spent locally. The Chamber promotes the Ridgebucks Program and sells the gift cards from its office and on ParadiseChamber.com. Promote your business with minimal effort or overhead!

Ridgebucks participation is available to all Chamber members and offers excellent member value by bringing business to your door.

How it Works:

- Ridgebucks are purchased from the Chamber office.
- Ridgebucks are redeemed for merchandise at participating chamber member businesses.
- Merchants redeem Ridgebucks for full face value by submitting them to Chamber.
- Participating businesses are listed on the Chamber website, and in a brochure.
- Businesses receive a sign to post in their business indicating their participation.
- There are no fees to merchants.
- Ridgebucks are available in various denominations, and are secured with an official sticker or embossed logo.
