

AWIC RELEASES MAY 2020 COVID-19 EMPLOYER IMPACT SURVEY – SSM & AREA

The [Algoma Workforce Investment Corporation](#) has released the full results of its May 2020 COVID-19 Employer Impact Survey for Sault Ste. Marie and Area. Among the findings:

- 70% of survey respondents cited either high or medium strategic risk to their long-term prospects of continuing business operations, in comparison 81% in the April survey.
- 23% responded the risk was high and could lead to permanent closure of business operations.
- 44% responded the risk was medium and will have a significant financial impact on business operations.
