

# Recover --- Renew --- Rejuvenate

Focusing on your business, your employees, and you... during and after COVID-19

The following Chamber of Commerce members may be able to fill orders of various PPE or meet your required needs surrounding other procedures or requirements your place of business may be responsible for.

**DISCLAIMER:**

The Sault Ste. Marie Chamber of Commerce does **NOT** endorse any supplier. In addition, the items listed here may **NOT** be medical grade or CE or FDA approved. Buyers are encouraged to ask for credentials and/or documentation as to the authenticity of any PPE and know what it is you require ahead of time (i.e. level of protection). Buyers should also be aware of the accurate and fair price of each product based on their respective level of protection and approval.
