

Swing into Spring

With the Devon & Plymouth Chamber Awards

BEST USE OF TECHNOLOGY AWARD

This award recognises organisations that have fully exploited the range of technology available to them to grow their business. Entrants for this award must demonstrate how they have used the power of technology to transform their business.

The judges will be looking at:

- **The range of technology used in conducting day to day business**
- **How technology has improved the business's processes and efficiency**
- **The use of technology to improve customer service and engagement**
- **How the above practices influence the organisation's supply chain**

If you would like to enter this award please email events@devonchamber.co.uk
