

# Benefits & Savings

The Gordon County Chamber of Commerce works hard to provide its members with tangible benefits and savings. These particular programs accomplish most every business' mission: they help put money in the bank. At the end of the day, that is the final word at the Chamber. Commerce.

## Drugs Don't Work

Chamber members who participate in the Drugs Don't Work Program enjoy deep discounts on their Workmen's Compensation Insurance--up to 7.5%, which can translate to thousands of dollars a year, for a nominal fee that is based on their payroll numbers.

## Keep It In The County

This Chamber walks the talk with Keep It In The County, a shop-local campaign that is still going strong after eight years! The initiative provides multi-market advertising opportunities to its sponsors and hammers away at its founding promise all year long: shop local to support your neighbors and bolster the tax base.

## Affinity Programs & Chamber Perks

Who doesn't want to save money on supplies? Chamber members can use the Office Depot Purchasing Program to save up to 30% on supplies and earn 4% for the Chamber. The Chamber also provides free website listings, meeting space, facebook promotion, newsletter advertising and outlets to promote members, as well as their events, sales and programs.

## National Advertising & Local Referrals

This Chamber's CVB Director negotiates ads in Southern Living Magazine--which reaches THOUSANDS of people looking for places to visit--and promotes our destination shopping mall--Calhoun Premium Outlets-- where spenders flock to enjoy retail discounts and stay to play in Gordon County. The Chamber refers ONLY member businesses when consumers reach out for recommendations. Each Chamber member receives two free website listings that link to their own website. Chamber members can connect with other members by attending meetings, seminars and programs.
