

# Networking

.....

We hear it all the time and it's true. Networking is the key to success. No matter how technology-driven a business community becomes, personal relationships always prevail and face-to-face is the way to do business. That's why the Chamber of Commerce focuses on putting people who might otherwise not cross paths in the same room. This Chamber presents many meetings, events, programs and activities that are planned to put you right where you belong: in the same room with your potential customers. Here's how we do it.

- Annual Meeting
- Booster Breakfasts
- State of Industry Program
- Corporate Initiatives
- Business After Hours Events
- Committee Meetings
- Training Programs and Seminars
- Festivals and Community Events
- Membership Celebrations
- Cookout on the Corner
- Member To Member Connections
- Candidate Forums
- BBQ Boogie & Blues
- Legislative Presentations
- Manufacturing Tours
- Leadership Program Activities
