

The 5th Avenue Saxes is one of the auxiliary ensembles associated with Maquoketa's Timber City Band, our local community concert band. The other ensembles include The Root Band (a tuba-euphonium ensemble) and Long Drawn Silver (a flute ensemble). The 5th Avenue Saxes has been featured in recent TCB concerts at Tabor Winery. Maquoketa Middle School Band Director Jay Kahn directs the Timber City Band and also plays in the 5th Avenue Saxes. The personnel of the 5th Avenue Saxes includes Quad Cities performing artist and saxophone promoter, Danelle Kvapil. Ms. Kvapil is the founder of recent Quad City saxophone extravaganzas, including "Saxophone Christmas," as well as "Stars, Stripes, and Saxophones!" These productions are open to saxophone enthusiasts throughout the Quad Cities and surrounding communities. Thanks to Ms. Kvapil's efforts, the 5th Avenue Saxes is excited to welcome additional saxophone artists from the Quad Cities for **today's** performance at Maqtoberfest!
