Many Hudson business owners have asked what they can do to join the fight against Ohio's opioid epidemic. The answer is simple: we need to unite to make sure our young people never start using drugs or alcohol and we need your help. This past school year, Hudson High School partnered with Drug Free Clubs of America (DFCA) to jumpstart a new drug prevention initiative to combat the war on drugs. Funding for this program covered rewards and testing costs for 424 students. The overwhelming success of the program was a direct result of school, parent, and community efforts. Our goal for the 2018-2019 school year is to reach at least 525 students. We need your help to reach that goal...

Professional Power Hour

Interested in strengthening and expanding your professional network? Want to learn from other small business owners and managers? Join us for our Professional Power Hour Open House on Thursday, October 18th at 11:30 am at Lager and Vine in Hudson. Participants pay for their own lunch. Our mission is to generate business and educational opportunities for Hudson Chamber members through building and strengthening professional relationships in a non-competitive and mutually supportive environment. Only one person per networking group can represent a single industry. If there is enough interest, we will start more Professional Power Hour Groups.
