Community Partners,

We are reaching out with a timely request. The COVID-19 Virus poses a threat to the health and wellness of our community. In Dane County, we are seeing a PPE (Personal Protective Equipment) supply shortage.

We are reaching out to see if you or your company have any masks, face shields, paper gowns, and/or cloth gowns that could be procured by Dane County Emergency Management for use by our healthcare providers and first responders.

If you are able to help, please contact us with the following information via 608-266-5374 or dcems@countyofdane.com:

1. The items you have available, the quantity, and the cost
2. The contact information for the appropriate person on your team

Thank you for your consideration.

With high regard,

Joe Parisi
