

Can you guess who Frosty is? Be sure to read the Frosty rules carefully! The clues will once again be delivered in limerick style this year. A limerick is a poem consisting of five lines. The first, second, and fifth lines must have seven to ten syllables while rhyming and having the same verbal rhythm. The third and fourth lines only have to have five to seven syllables, and have to rhyme with each other and have the same rhythm. Each week two verses will be given. Clues will appear through February 8. Good luck!

Frosty Clues Week One

Frosty's a forty-niner;
To Waseca, a long timer.
Two sisters, three brothers,
Each near to the others;
Nowhere a family finer.

Southside gave Frosty a start,
Then transition to Sacred Heart.
Loved numbers in class,
And serving at Mass.
Frosty worked hard and took part.
