

Better Together

The Greater Lawrence Chamber of Commerce is proud to announce the return of our community initiative program - Better Together. This program is designed to make the Lawrence community even better by working together on service projects and community outreach. The four service days for 2019 will be centered around giving back, beautifying our community and other activities that will promote fellowship with membership and community.

For a contribution of \$400, your organization will be able to enjoy excellent exposure with a Better Together Sponsorship:

- Exposure at all four Better Together events with signage
- Digital media recognition
- Logo on back of volunteer t-shirts
- Recognition on all event materials
- Opportunity for your company to give back to the community with volunteering
- Website and social media recognition

Our Better Together Committee is still in the planning phase for our Spring 2019 event. Stay tuned to our social media, website and newsletter for announcements.

We partner up with Indiana Members Credit Union and 310th ESC Family Program to provide military families with much needed school supplies and backpacks. Indiana Members Credit Union very generously donates a lot of backpacks while local businesses and our Lawrence Township community helps collect the school supplies.

Indy Do Day is a people-powered community day of service when the residents of Central Indiana take ownership of their neighborhoods and take care of their neighbors. Our Indy Do Day will take place in September 27th; we will be partnering with the Lawrence Township School foundation to help beautify Lawrence Township schools.

Every year, the Greater Lawrence Chamber of Commerce teams up with the City of Lawrence Firefighters to help collect new toys and monetary donations for the Firefighters Family Assistance Program for the holidays. This will be the 31st Anniversary for the City of Lawrence Fire Department to run this amazing program.
