Lawrence Community Gardens is a 10 acre garden located on 46th Street, just east of Post Road. They have partnered with Monarch Beverage located at 9347 Pendleton Pike, and The City of Lawrence to grow produce that will be donated back to the community through The Cupboard and The Sharing Place food pantries; which are here in Lawrence, IN. This May we plan on taking our Better Together team to help the Lawrence Community Garden to prepare for springtime planting on May 11th, 2018.

We partner up with Indiana Members Credit Union and 310th ESC Family Program to provide military families with much needed school supplies and backpacks. Many of these children would not have the necessary supplies to thrive in school without this program.

Our Indy Do Day will take place on September 28th, we will be partnering with the Lawrence Township School foundation to help beautify Lawrence Township schools
