Arts & Crafts Categories: There is a limit to the number of booth spaces available for the festival, and applications are accepted on a first come - first served basis, taking craft and category into account. Your application must specify in detail all goods to be exhibited for sale. All work must be original and displayed by the artist/craftsman who signs the application. The festival staff may require removal or work, exhibit or exhibitor in violation of any festival rules.

Barnesville Buggy Days Jury: Prior participation in our festival does help in determining booth allotment, but does not guarantee a booth, however, the uniqueness of your craft does. Please be as detailed in your application as possible. Include supplemental attachments and/or pictures. *Note: pictures and application materials will not be mailed back to the applicant, please do not send originals.* Failure to provide photos and/or samples may impair the judges' decision on your application.

Acceptance/Waiting List/Cancellations: Because acceptance to the festival isn't automatic we ask that you *do not send payment with this application.* If your application is approved by the Buggy Days Craft Vendor Selection Panel, you will be notified and sent a Buggy Days Craft Contract, which will need to be signed and returned.

Setup/Breakdown: Setup guidelines will be mailed with your confirmation letter. If accepted, you are to set up prior to 9 p.m. Friday night. There will be very limited setup on Saturday. Break down will not occur before 5 p.m. on Sunday. If you dismantle before 5 p.m. Sunday, you may not be asked to participate the following year. All outside exhibitors are strictly prohibited!
