Fairfield Leadership Information

Fairfield Leadership is a nine-month program offered by the Lancaster/Fairfield County Chamber of Commerce. It is designed to help the Lancaster and Fairfield County community meet its need for the active participation of informed, dedicated community leaders. The Leadership Program is based on leadership principles designed to help participants develop into more effective leaders. These principles include:

- Visionary Leadership
- Customer-Driven Excellence
- Organizational and Personal learning
- Valuing employees and partners
- Agility
- Focus on the future
- Managing for innovation
- Management by fact
- Social responsibility
- Focus on results and creating value
- Systems perspective

Ideal participants are rising stars in any organization, those who possess ability, have demonstrated commitment to community service and have potential for responsible and effective leadership.

The program runs once a month from September through April. *This year's class will begin with virtual meetings and could possibly go to in-person meetings if state guidelines allow.* If you are interested in participating in the 2020-2021 Fairfield Leadership program, please contact Cheryl Barber for an application. *(contact information below)*

Deadline for applications is Friday, August 28, 2020.
