young professional network

belong. connect. succeed.

Join the Fergus Falls YPN and Invest in Your Future

Today's young professionals are tomorrow's leaders. As the premier organization of its kind in the region, the Fergus Falls Young Professionals Network (YPN) will help you improve your career, develop your leadership abilities, build your professional network, and allow you to give back to the Fergus Falls community.

Build Your Network

Build connections with numerous diverse young professionals from across the region. At bi-monthly networking events "Off the Clock" hosted at the city's premier venues, you will have the opportunity to network, exchange ideas, and share common interests with your peers.

Grow Your Professional Skills

Now is the time to invest in yourself and your career. At bi-monthly professional development events, you will hear from prominent business leaders, public officials and industry experts as they explore the latest regional issues and share tips/career advice. Gain valuable networking and leadership skills through YPN's skill-building workshops that include lunch.

Make a Difference

Make a difference in the community through volunteer outreach. YPN provides opportunities for its members to take on leadership roles within the community at volunteer events. At these events, you'll have fun, meet people who share your interests and concerns, and make a positive difference in the community in which you live and work.

Cost:

Annual YPN memberships include 6 professional development lunches, social events, and networking. YPN memberships paid by the individual (instead of company paid) can be transferred if employment changes. Memberships paid by the business are transferable to another employee if employee leaves.

YPN Annual Membership Fee - \$175 per person.
