

Please consider hosting one of our monthly networking events!

OFF *the* CLOCK

events allow connections to be built between numerous diverse young professionals from across the region. These monthly networking events are hosted at the area's premier venues, and boasts the opportunity to network, exchange ideas, and share common interests among regional peers.

Why host?

Attendance is typically around 30-40 young professionals, and these events provide a great opportunity for your business to gain exposure to this population! The YPN alongside the Fergus Falls Area Chamber of Commerce heavily advertise all events with your name, location, and logo. These events are advertised in the Chamber calendar, newsletters, and as a Facebook event that is widely shared among our members!

What do I need to provide?

As the hosting location, you are asked to provide, or donate, your space and some light appetizers. All attendees will purchase their own drinks, and typically the income from the attendees' purchases vastly outweighs the cost of the space and appetizers provided.

I'd love to! How do I sign up?!

If you'd like to host our monthly Off the Clock, please contact the Fergus Falls Area Chamber of Commerce at chamber@fergusfalls.com or (218) 736-6951
