## VOLUNTEER SPOTLIGHT

Chery Williams first got involved with SBCC as a volunteer when she was invited by friends. For Chery, it was an ideal opportunity to meet new people and make new friends. She is most surprised by how much she has learned about Baldwin County and the community that she loves. Chery said the most important thing she wants others to know about volunteering is that it is fun and every event she participates in brings joy and friendship. She said it is the greatest way to meet people and make friends. "It is worth your time!" she exclaimed. When Chery is not volunteering, she loves to travel, spend time with family and participate in church activities.
