<input checked="" type="checkbox"/>	COMMITTEE	FREQUENCY	COMMITTEE PURPOSE
1.	<input type="checkbox"/> Construction Education	Bi-Monthly	The purpose of the GCA Construction Education Committee is to: Provide educational opportunities for members and non-members in the construction industry; Monitor the development of Construction Project Management Program at the University of Hawaii; Implement AGC educational programs
2.	<input type="checkbox"/> Construction Leadership Council (CLC)	Monthly	The purpose of the Construction Leadership Council is to serve as a resource for the next generation of GCA of Hawaii members. The CLC is to act as a conduit for the upcoming leaders to network; exchange ideas about work and the industry, further develop leadership and profession of the industry.
3.	<input type="checkbox"/> Environment	Monthly	Education of members "Hawaii self-sustaining now & the future" concept. Maintain open communication between GCA and the government environmental agencies. Inform GCA members of: Current environmental protection regulations that may impact the construction industry, Best management practices (BMP) that minimize pollution to the maximum extent practical (MEP). Resolve environmental concerns affecting the construction industry.
4.	<input type="checkbox"/> Finance	Monthly	Association Policy: Must be a General Contractors member who owns or manages their Company, who have the authority or are otherwise in a position to make independent and autonomous judgments and decisions without the need to check with higher authority (VP Finance, Controller).
5.	<input type="checkbox"/> Human Resource	Bi-Monthly	The purpose of the GCA Human Resources Committee is to serve as a resource for the GCA of Hawaii members on employment and human resources related issues affecting the construction industry.
6.	<input type="checkbox"/> Membership	Monthly	The purpose of the GCA Membership Committee is to increase membership, improve retention, and expand active participation of the membership.
7.	<input type="checkbox"/> Safety	Monthly	To provide an open forum where Safety and Health Professionals, associated with the GCA Hawaii, can obtain valuable information and resources necessary to meet their Company's Safety Goals; thereby increasing profitability and quality of life of its stakeholders. The committee provides assistance in areas of; employee safety and health training, safety professional development, i.e., National Certifications, regulatory updates, equipment and technological advancements, and best management practices associated with safety in construction.
8.	<input type="checkbox"/> Subcontractors Council Limited to Specialty Contractor members.	Bi-Monthly	To assist GCA by representing specialty contractor members, influencing policy that affects specialty contractors and promoting ethical practice in bidding, contracting and construction coordination.
<b>GOVERNMENT/PROFESSIONAL RELATIONS</b>			
9.	<input type="checkbox"/> A.I.A. - GCA - ACECH	Bi-Monthly	The purpose of the AIA-GCA-ACECH Committee is to create a better understanding of each other's roles and concerns, to identify recurring conflicts between Architects and contractors during the project, and to offer resolutions to the identified conflicts.
10.	<input type="checkbox"/> BWS – GCA	Quarterly	<b>The Committee will be working on establishing an open line of communication between GCA and the Board of Water Supply. The Committee will focus on procurement and construction issues that affect our industry.</b>
11.	<input type="checkbox"/> City & County - GCA	Bi-Monthly	The C & C Committee provides a forum for the Contractors and the City to present concerns, exchange ideas, conduct discussions, and resolve problems.
12.	<input type="checkbox"/> Corps of Engineers - GCA	Monthly	To improve communications and interaction with the Corps of Engineers (COE) to discuss and resolve construction and procurement issues.
13.	<input type="checkbox"/> DAGS - GCA	Quarterly	Promote excellent relations between DAGS and GCA. Create a collegial environment and forum where DAGS officials and GCA members can discuss matters of interest in a collaborative and informal non adversarial atmosphere.
14.	<input type="checkbox"/> DOE/BIA-GCA	Quarterly	To improve communications and interaction with the Department of Education to discuss and resolve construction and procurement issues.
15.	<input type="checkbox"/> HART – GCA	Monthly	Provide a forum where HART officials and GCA members can discuss matters of industry interest in a collaborative environment.
16.	<input type="checkbox"/> Legislative	Monthly	The Legislative Committee shall review and make recommendations pertaining to laws, ordinances, acts, and codes which affect the Construction Industry. It shall also take steps to initiate and promote desirable legislation and defeat harmful legislation. Increase membership participation at the legislature. Update priorities and action plans to support the GCA's Strategic Plan. Coordinate our efforts with other legislative organizations on common issues and approach the legislature as a unified group.
17.	<input type="checkbox"/> State D.O.T. - GCA	Even Months	The DOT-GCA Committee facilitates the development of cooperative relationships, the sharing of information and the resolution of problems by providing an open forum and established network for communication. Includes Airports, Harbors, and Highways Divisions. If deemed necessary or otherwise desirable, discussion of specific problem areas involving any one Division will be handled through subcommittees.
18.	<input type="checkbox"/> University of Hawaii – GCA	Bi-Monthly	To improve communications and interaction with the University of Hawaii to discuss and resolve construction and procurement issues.
19.	<input type="checkbox"/> U.S. Navy - GCA	Bi-Monthly	To strengthen communication, have interaction and promote opportunities of liaison on items of mutual interest that benefit the Navy and the GCA membership.
