GOLF CLASSIC

July 20, 2017
at The Links at Northfork

A FEW GOOD REASONS TO PLAY GOLF (*with us*)

- Anyone can play, no matter how good you aren't
- It's okay to drive a golf cart if you're tired or lazy
- You can enjoy the smell of fresh cut grass AND the pungent aroma of cigars at the same time
- It encourages friendly competition, and the right to one-up smack talk
- You're allowed to take a day off work to play in a tournament
- When you play well, it goes too fast, and when it's bad, it makes work look like a great escape
- You could get a hole in one
- A below-par performance is considered darn good
- What other sport lets you stop in the middle for a burger and a beer
- Golf is better with friends, especially old ones!
